

ANNIE KUSTER *for* CONGRESS

September 5, 2017

To the Amherst Democrats,

Please accept my sincere apologies I cannot be with you today. It is with great pleasure that I wish to congratulate you on another successful Amherst Democrats' Labor Day BBQ!

Now more than ever we need to stand strong together against President Trump and his administration's efforts to further the interests of his millionaire and billionaire friends. The fact is, people aren't asking for much—just the opportunity to work hard, get a good education, earn a living wage, and retire with dignity. I will continue to fight for every Granite Stater in Congress, and will make sure the American Dream is intact for our children and grandchildren.

I will keep working to promote policies that create jobs, expand economic opportunity, and grow the middle class. And I will always stand up for the men and women of organized labor, who for generations have lifted families and communities up across New Hampshire and the entire country.

I look forward to working together with all of you as we continue the fight for middle class families here in the Granite State. Stand strong, Amherst Democrats! It is a true honor to represent you in Congress, and please let me know if I may ever be of assistance. Best wishes and please enjoy a safe and happy Labor Day holiday.

Best,

Ann McLane Kuster
